

Class Notices

PE Kits

We have PE on Monday and Friday, although it is helpful to have PE kits in school every day as there may be extra opportunities through the week where PE kits are needed. Children must have their own PE kit. No jewellery can be worn in lessons and will be left in the pupil's bags at their own risk. Please label all your child's clothing to help prevent items getting lost.

Homework

Homework will be given out each Monday and collected in on a Monday this will be either Maths, Literacy or related to our topic. Practising times tables is an essential part of your child's homework routine.

Please ensure homework is handed in on time and is completed to a high standard.

Reading Records

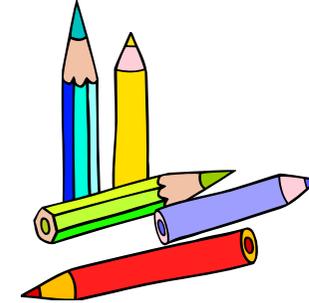

Please read with your child every day, recording that you have done so in their reading record and please ensure books are in school every day. Children will be developing responsibility for changing their own books when needed.

Class trip

We will be going on a trip to help with our topic learning, more information will be sent home closer to the date of the trip.

**Class Curriculum Brochure
Autumn Term 2018**

**Year 3/4
Ms Lord
Mrs Ornsby**

This year the children in Year 3 and 4, HMS Diamond, will be having 2 teachers. Ms Lord will be the teacher on Monday, Tuesday and Wednesday; Mrs Ornsby will be teaching on Thursday and Friday

Literacy	In Literacy this term the children will be writing as characters from different culture's fairy tales. They will also be learning to write reports about topics they are studying.
Maths	This term, the children will be learning about place value and using their place value skills to add and subtract. Multiplication and division skills will also be developed. Children will also be studying statistics, and developing their understanding of linear measurement and applying it to area and perimeter.
Topic	The main focus for Year 3 and 4 is Ancient Egypt in topic lessons with children locating Egypt on a map, developing their understanding of the word 'ancient', learning about pharaohs, pyramids and what life was like for Ancient Egyptians. After half term there will be a smaller focus on the Ancient Chinese and Aztec societies.
ICT	In ICT the children will be becoming familiar with the QWERTY keyboard so that their typing skills become more proficient.
Music	This term the children will be developing their music skills with Mrs Ornsby. They will be learning to keep beat and play as an ensemble using drumming skills.
PE	This term the children will be working with Mr Burrows and Mr Fidlin to develop skills in different areas of PE.
RE	In RE, the children will be learning all about 'Belief in the Community' and 'Remembrance'.
Science	The super scientists of Year 3 and 4 will be learning all about Light through exciting experiments and investigations in which they will be encouraged to answer questions or to support their findings.
