Swimming Data

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example, you might have practiced safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC program of study	All Year 4 children accessed weekly swimming sessions for 11 weeks. All Yr6 pupils have accessed 5 top-up sessions before leaving Primary. All these children received self-rescue safety training. All children have also had a water safety assembly.
What percentage of your current Year 6 cohort swim competently, confidently, and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above	50%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]? Please see note above	70%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
